

Disgraced

A respected author has been discredited for using magic spells to influence research subjects.

Pick a number 1-10. Remaining players must discard all cards worth that number of points from their hands.

Predatory Journal

An article cited by many authors turns out to have been published by a predatory journal with no quality control.

Remaining players must discard any Library or Internet Resource cards identified as articles.

Breaking News

New information is released about alchemy, and older sources are no longer useful.

Pick a suit for all remaining players to discard.

Fake News

An article with disinformation—false information created to intentionally mislead—spreads on social media like wildfire, making people doubt a reputable source.

Pick a suit for all remaining players to discard; Library Resource cards are exempt.

The Dog Ate It

You found a promising book in the library's catalog, but when you locate it on the library shelves, you see that it's ruined.

Remaining players must discard all book cards.
